All applications for minor and/or major developments must provide a transportation concurrency study in accordance with Ordinance 2007-10, signed and sealed by either a registered Professional Engineer (PE) or signed by a certified planner, American Institute of Certified Planners (AICP), practicing in the field of transportation planning. The transportation study should reference Ordinance 2007-10, Transportation Concurrency Management System Methodology and Procedures.

The developer acknowledges the term of any Transportation Certificate of Concurrency issued by the County as set forth in Ordinance 2007-10, Section 3.01.03, Expiration of Transportation Certificate of Concurrency for Application for Minor or Major Development Approval.

If the development project traffic impacts a deficient segment of roadway, as identified in the County's Transportation Concurrency Management System (CMS), implementation of one or more mitigation strategies as described and identified in the Transportation Concurrency Technical Manual.

Walton County Environmental Assessment

Project Description

Provide a detailed description of the project site, including the project name, driving directions, location, acreage, and a map to the site. The description should accurately characterize the current conditions within the project site (i.e. cleared, vegetated, disturbed, etc.), and portray the development site's current land use, and the surrounding land uses.

Soils

Utilize the United States Department of Agriculture, NRCS Soil Survey data for Walton County to describe each soil type found within the project site. Provide a map illustrating the area of each soil type.

Natural Vegetative Communities - Upland and Wetland

In accordance with Comprehensive Plan Policy C-3.2.7, utilizing the Florida Natural Areas Inventory descriptions, found in the FNAI Guide to Natural Communities of Florida, list and describe all Natural Community types found within the development site, and include a list of the actual species that comprise each community. Provide the acreage of each community type, provide a site map illustrating approximate boundaries, and address preservation per the Walton County Land Development Code and Comprehensive Plan. If preservation is required, please provide a preservation plan that illustrates and quantifies the vegetation community to be preserved.

Wetlands

If wetland areas are present, provide wetland delineation for all wetlands within and immediately adjacent to the development site, including isolated wetlands. Address wetland buffer requirements per Walton County Land Development Code and Comprehensive Plan. Illustrate all wetland areas and wetland buffer areas on the survey and site map.

Threatened and Endangered Species

In accordance with Comprehensive Plan Policy C-3.2.7, request a Standard Data Report from Florida Natural Areas Inventory (<http://www.fnai.org/>). In conjunction with the information obtained from FNAI, perform a site visit to search for any occurrences of Threatened and/or Endangered species within or adjacent to the development site. Provide a radius map and list of species occurring in vicinity of the project. Summarize findings and survey methods. Other references to consult may include the Florida Fish and Wildlife Conservation Commission,

United States Fish and Wildlife Service, et. al. If Threatened and Endangered Species are found within or adjacent to the development site, provide proof of coordination with the Florida Fish and Wildlife Conservation Commission and the U.S. Fish and Wildlife Service to develop a management plan.

Archeological/Cultural Resources

In accordance with Walton County Comprehensive Plan Objective L-1.3, conduct a review of the State of Florida Division of Historical Resources Master Site File for the presence of any known Archeological or Cultural Resource. If the development site has not been surveyed for the presence of Cultural Resources, a licensed archeologist may need to conduct a site visit and provide a Cultural Resources Assessment summarizing their survey methods and findings. If cultural resource sites are located, the applicant must provide proof of coordination (official SHPO letter) with the State of Florida, Division of Historical Resources Office.

Hazardous Materials and Contamination

List and describe any known contamination and/or suspected hazardous materials found within or adjacent to the development site (i.e. any chemicals, containers, dumping of trash, and/or any known sites listed in the FDEP data base).

Conclusion

Summarize findings/results and provide opinions and recommended course of action.

Attachments

Attach applicable maps, surveys, aerial photos, diagrams, and supporting documentation.

PLEASE NOTE: I understand that Walton County has adopted policies regarding the preservation of native vegetation and no clearing of any kind can take place on a development site until the proposed development has been approved for a development order by Walton County or a clearing permit has been issued.

Notification of Affected Property Owners

The Board of County Commissioners requires any applicant for rezoning to notify all property owners within 300 feet of the perimeter of the subject property. **The applicant is responsible for notifying property owners within 300 feet by certified, return receipt mail, not less than 10 days but no more than 20 days prior to EACH hearing scheduled for the proposed development.**

*****DO NOT NOTIFY PROPERTY OWNERS UNTIL PLANNING AND DEVELOPMENT SERVICES VERIFIES THE DATE THAT THE PROPOSAL WILL BE HEARD BEFORE THE BOARD *****

A sample notification letter is included in this application. The meeting dates and times shall be furnished by Planning and Development Services to the applicant after the proposed applicant receives approval from the Technical Review Committee and has been placed upon the appropriate agenda. The applicant shall include with the notification the following information:

1. Map showing location of property in relation to surrounding properties (at least 1/2 mile radius)
2. Summary of the rezoning request including current allowable uses, density and intensity and a description of any proposed development
3. Legal description of the subject site and parcel ID number
4. A clearly legible site plan of any development proposal if available

After the notices are mailed, the applicant shall provide to Planning and Development Services no less than three (3) days before the meeting:

1. A copy of the property owners within 300 feet of the subject property that were listed in the latest available Ad Valorem Tax Roll for Walton County
2. A copy of package mailed to property owners
3. Any packages which were undeliverable and returned
4. Certified postal receipts stamped by the United States Postal Service

It is the responsibility of the applicant or the applicant's agent to post a notification sign on the parcel, visible from the roadway when notified by Planning and Development Services of the meeting date, time, and location. A sample sign drawing is attached hereto.

After the sign is placed on the parcel the applicant shall provide to Planning and Development Services no less than three (3) days before the meeting:

1. A dated photograph of the posted sign on the parcel (not located within any rights-of-way) and an affidavit that the sign was posted per requirements.

*****FAILURE TO NOTIFY PROPERTY OWNERS AS REQUIRED MAY RESULT IN THE PROJECT BEING CONTINUED TO THE NEXT AVAILABLE MEETING DATE AND THEREFORE DELAY OF PROJECT APPROVAL *****
