Variance Request Questionnaire

1. Is this variance request in harmony with the general purpose and intent of the regulations imposed by this code or the land use district in which the site is located?

2. Could the variance be injurious to the neighborhood or otherwise detrimental to the public welfare?

3. Would the granting of this variance permit the establishment of any use that is not permitted in the land use district?

4. What existing special circumstances or conditions are applicable to the land or building for which the variance is sought? Fully describe the unique circumstances.

5. Do the circumstances or conditions apply generally to land or buildings in the land use district?

6. Are the circumstances or conditions such that the strict application of the provisions of the land development code would deprive the applicant of the reasonable use of such land or buildings?

7. Is there proof of unnecessary hardship? (It is not sufficient proof of unnecessary hardship to show that greater profit would result if the variance was granted; the hardship cannot be established on this basis by one who purchases with or without knowledge of the restrictions.)

8. Is the hardship a result of the application of this code? (It must be suffered directly by the property in question; evidence of variance granted under similar circumstances shall not be considered.)

9. Is the granting of this variance necessary for the reasonable use of the land or building?

10. Is this variance request the minimum variance that will accomplish the purpose of reasonable use of the land or building?

11. Will the variance impair an adequate supply of light and air to the adjacent properties?

12. Will the variance substantially increase the congestion in the public streets?

13. Will the variance endanger public safety?

14. Will this variance substantially diminish or impair property values with the adjacent neighborhood?

15. Will the granting of this variance confer on the applicant any special privilege that is denied by this code to other lands, structures, or buildings in the same land use district?

NOTICE TO ALL APPLICANTS

You are required to schedule a pre-application conference with Planning and Development Services prior to submittal of this application. Your application will not be processed without verification that you have attended a pre- application conference with a representative(s) of Planning and Development Services. To schedule a pre- application conference with a planner, please use the online portal (<https://www.citizenserve.com/Portal/PortalController>).

A pre-application conference was held with _____
regarding the variance of _____
on this day of _____, _____.

I understand that the Board of County Commissioners must vote to approve this requested variance. I understand that this proposed variance will be subject to all applicable comprehensive plan policies and implementing land development code regulations. I understand that this amendment, if approved, does not vest the subject property for traffic concurrency or specific land use regulations and that development proposed for the subject property requires the approval and issuance of a final development permit.

Walton County Environmental Assessment

Project Description

Provide a detailed description of the project site, including the project name, driving directions, location, acreage, and a map to the site. The description should accurately characterize the current conditions within the project site (i.e. cleared, vegetated, disturbed, etc.), and portray the development site's current land use, and the surrounding land uses.

Soils

Utilize the United States Department of Agriculture, NRCS Soil Survey data for Walton County to describe each soil type found within the project site. Provide a map illustrating the area of each soil type.

Natural Vegetative Communities - Upland and Wetland

In accordance with Comprehensive Plan Policy C-3.2.7, utilizing the Florida Natural Areas Inventory descriptions, found in the FNAI Guide to Natural Communities of Florida, list and describe all Natural Community types found within the development site, and include a list of the actual species that comprise each community. Provide the acreage of each community type, provide a site map illustrating approximate boundaries, and address preservation per the Walton County Land Development Code and Comprehensive Plan. If preservation is required, please provide a preservation plan that illustrates and quantifies the vegetation community to be preserved.

Wetlands

If wetland areas are present, provide wetland delineation for all wetlands within and immediately adjacent to the development site, including isolated wetlands. Address wetland buffer requirements per Walton County Land Development Code and Comprehensive Plan. Illustrate all wetland areas and wetland buffer areas on the survey and site map.

Threatened and Endangered Species

In accordance with Comprehensive Plan Policy C-3.2.7, request a Standard Data Report from Florida Natural Areas Inventory (<http://www.fnai.org/>). In conjunction with the information obtained from FNAI, perform a site visit to search for any occurrences of Threatened and/or Endangered species within or adjacent to the development site. Provide a radius map and list of species occurring in vicinity of the project. Summarize findings and survey methods. Other references to consult may include the Florida Fish and Wildlife Conservation Commission, United States Fish and Wildlife Service, et. al. If Threatened and Endangered Species are found

within or adjacent to the development site, provide proof of coordination with the Florida Fish and Wildlife Conservation Commission and the U.S. Fish and Wildlife Service to develop a management plan.

Archeological/Cultural Resources

In accordance with Walton County Comprehensive Plan Objective L-1.3, conduct a review of the State of Florida Division of Historical Resources Master Site File for the presence of any known Archeological or Cultural Resource. If the development site has not been surveyed for the presence of Cultural Resources, a licensed archeologist may need to conduct a site visit and provide a Cultural Resources Assessment summarizing their survey methods and findings. If cultural resource sites are located, the applicant must provide proof of coordination (official SHPO letter) with the State of Florida, Division of Historical Resources Office.

Hazardous Materials and Contamination

List and describe any known contamination and/or suspected hazardous materials found within or adjacent to the development site (i.e. any chemicals, containers, dumping of trash, and/or any known sites listed in the FDEP data base).

Conclusion

Summarize findings/results and provide opinions and recommended course of action.

Attachments

Attach applicable maps, surveys, aerial photos, diagrams, and supporting documentation.

PLEASE NOTE: I understand that Walton County has adopted policies regarding the preservation of native vegetation and no clearing of any kind can take place on a development site until the proposed development has been approved for a development order by Walton County or a clearing permit has been issued.

Notification of Affected Property Owners

The Board of County Commissioners requires any applicant for variance to notify all property owners within 300 feet of the perimeter of the subject property. **The applicant is responsible for notifying property owners within 300 feet by certified, return receipt mail, not less than 10 days but no more than 20 days prior to EACH hearing for the proposed development.**

*****DO NOT NOTIFY PROPERTY OWNERS UNTIL PLANNING AND DEVELOPMENT SERVICES VERIFIES THE DATE THAT THE PROPOSAL WILL BE HEARD BEFORE THE BOARD *****

A sample notification letter is included in this application. The meeting dates and times shall be furnished by Planning and Development Services to the applicant after the proposed application has been placed upon the appropriate agenda. The applicant shall include with the notification the following information:

1. Map showing location of property in relation to surrounding properties (at least 1/2 mile radius)
2. Legal description of the subject site and parcel ID number
3. A clearly legible site plan of any development proposal if available
4. Summary of request

After the notices are mailed, the applicant shall provide to Planning and Development Services no less than three (3) days before the meeting:

1. A copy of the property owners within 300 feet of the subject property that were listed in the latest available Ad Valorem Tax Roll for Walton County
2. A copy of package mailed to property owners
3. Any packages which were undeliverable and returned
4. Certified postal receipts stamped by the United States Postal Service

It is the responsibility of the applicant or the applicant's agent to post a notification sign on the parcel, visible from the roadway when notified by Planning and Development Services of the meeting date, time, and location. A sample sign drawing is attached hereto.

After the sign is placed on the parcel the applicant shall provide to Planning and Development Services no less than three (3) days before the meeting:

1. A dated photograph of the posted sign on the parcel (not located within any rights-of-way) and an affidavit that the sign was posted per requirements.

*****FAILURE TO NOTIFY PROPERTY OWNERS AS REQUIRED MAY RESULT IN THE PROJECT BEING CONTINUED TO THE NEXT AVAILABLE MEETING DATE AND THEREFORE DELAY OF PROJECT APPROVAL *****
