AFFIDAVIT OF UNDERSTANDING

I understand that I am being issued a “Disability Beach Driving Permit” for no fee other than the processing fee because I have shown proof that I have a mobility disability. I further understand: Walton County Ordinance **2021-35**, as amended, requires;

- that this permit is only valid if I am physically in the permitted vehicle; that if I am not physically in/with the permitted vehicle **the permit will be immediately removed and permanently revoked;**
- that this beach access permit sticker must be permanently affixed to the back window or rear of the vehicle (tape on or affixed to a magnet is unacceptable);
- that I must display a valid State of Florida “Disabled Persons Parking Identification Permit” in my vehicle while on the beach.
